Application, Event Trailer

Person Applying _____
Relationship to the Event _____
Location of Event _____
Date of Event _____
Will the local Fire Department be involved **Yes / No**

The Kindersley Fire Brigade will do its very best to accommodate the requested date(s) but cannot guarantee them. Unless other arrangements were previously made, the trailer will be available for pick-up the night before the scheduled events and expected to arrive back in Kindersley the morning after the scheduled events.

The trailer weighs 5,500lbw, it is approximately 18' long and 7' wide on a single axle. It is towable by most trucks and large SUVs. Kindersley Fire requires that the trailer be pulled by commercially plated or fire service vehicles.

The person/event applying for use of the trailer will be financially responsible for any damages occurred during the event. This includes but is not limited to; lost or stolen items, damages caused by wind or rain, mud and dirt damages, vandalism, or misuse. It is expected that the trailer leaves your event in the same condition that we brought it to you. Any issues must be noted immediately, or it will be assumed that they were caused during your event. It is important to take care when using the dunk tank to prevent holes and ensure it is dried before putting it away. The Keizer sleds require a clean and lubricated surface, the dead blows must be hit flat on the head or there is risk of damaging the hammer. It is the responsibility of the organizing event team to ensure that the items are maintained and used correctly while in their possession.

The event team understands that they need to donate \$250.00 to the trailer's operations and maintenance fund for a 2-day event, or \$350 for 5 days. These funds can be e-transferred firepubed@kindersley.ca or a cheque made out to Kindersley Fire Brigade. We will provide a letter of appreciation for your donations to the public education trailer. Under the scope of the donation, the borrower will move the trailer to and from their event.

If your team needs to cancel the trailer, you will be fully refunded unless it is cancelled in the last 48 hours before the event start time. Any time there is a last-minute cancelation, you will be refunded 60% of the fees. If for any reason Kindersley Fire needs to cancel the trailer, you will be refunded 100%. Your booking of the trailer will not be finalized until you have sent the full donation amount.

OBLIGATIONS

- As an event you will be obligated to post a minimum of 2 photos on social media.
- There must be at least one photo of each side of the trailer posted.
- At no time can any of our sponsors' names be blocked or covered.
- Kindersley Fire must also be tagged in the social media posts, and we have full rights to share or use the photos as we see fit.
- The event must provide free access to our team to their event, the includes any of our support group such as tow companies.
- We will set out donations boot for silver collection at the trailer as well as we may have some items for sale, the event shall not impede or block us.
- You may not charge entrance fees to see the trailer.

Do you understand and agree to the terms and conditions of this application? **Yes / No**

How many days is the trailer being requested for? _____

Based on the information above, what will your donation amount be? _____
